Principal: Ms. M. Yurkowski Vice Principal: Mr. J. Beck

Fabulous February!

January was another awesome month at Mission Hill and **February** is starting off with a bang. So many great things going on at the school this month.

Our basketball teams are doing a great job, the students are all playing hard and showing great sportsmanship.

Assembly- Last week we had a great assembly where the students and staff were able to say a farewell to Mr. Tyssen. Mr. Tyssen has moved to a new school, and it was awesome to celebrate the wonderful contributions that he made to Mission Hill. A thank you to the Polar Bear who came to visit the school and get the students all hyped up about the upcoming polar bear swim, market, and silent auction. Thanks to all the families that contributed items to the classroom baskets. Reminder:

Attached to this newsletter are pledge forms and registration forms. Please come support PAC and buy some yummy food at the concession being run by the grade 7 parents.

Candy Grams- Buy a candy for a friend at lunch, 50 cents per candy gram and they will be delivered on Valentine's Day next week. Great work by our Leadership Students!

Mornings- Just a reminder that if students are coming early in the morning, they can go to breakfast club or wait outside. We have had many students coming in the mornings and wandering the halls. We only have supervision outside we have no supervision in the hallways, so it is not safe for kids to be inside. If they are having breakfast, they can stay in the breakfast room or go outside. Please remind your child.

School Supplies – Please pay your school fees. Any fees that are not paid come out of the school budget. Pay what you can when you can. Our school supply account is sitting at minus \$4700.00.

PAC – Our PAC is always looking for more members and help. Their next meeting is Monday, February 26th, at 7pm in the library at the school. PAC is also providing pizza lunches on Fridays on a regular basis with payments (\$3/slice) due on Tuesday of the week.

End of Day and coming into the school –Reminder that the school days end at 2:30pm. Please be patient when coming to pick up your children, reminder that the last 5-10 minutes of a day are very precious for student reflection, transmitting information that needs to go home, and finalizing any details of learning. We really appreciate your cooperation with this!

School Focus: This is a reminder that we are working on improving literacy results for all our students this year. Each newsletter will have an idea or two as suggestions to try to help with improving your child's literacy success at home.
